

Abide

Verse 1

Once darkness was our guide
Without hope and only night
We heard the call and turned to you
Now the veil has been removed

Chorus

Jesus, we will throw away
Our lives to follow You
Struggling in Your strength,
Resting in Your truth
Jesus, You're so beautiful,
You give vision to the blind
You in us, the hope of glory,
In You we will abide

Verse 2

Though the body waste away
Inside we're renewed, as You remain
The hope of glory far outweighs
The light affliction of our days

Chorus

Bridge

With hope for tomorrow
We fight through today
With energy, You powerfully work
We lift our hands and say
The mystery is known
Jesus, You're on Your throne
Darkness is overthrown
Help us to make You known
Help us to make You known, ye-ah

Chorus

Bridge

With hope for tomorrow
We fight through today
With energy, You powerfully work
We lift our hands and say
The mystery is known
Jesus, You're on Your throne
Darkness is overthrown
Help us to make You known
Help us to make You known, ye-ah
Help us to make You known
Help us to make You known, ye-ah

Psalm 16 Blues

Verse 1

Lord, my God!
There's no good apart from You
My shelter, my refuge, my strength
My Soul Is thirsty for something new
The sight of You, my King
My portion, my drink, and my song
I won't chase after other gods
There's no solace in their lies
Lord, let me out of here
Let Your face shine down on me
It's Your name alone that I cry

Verse 2

Wherever I go
Your're walkin' next to me
Fragrance of meadows in Spring
And I know That you'll never part from me
You'll always be right here
With You by my side, I won't fall
So my heart doesn't skip a beat
Like the cadence of a song (Here it come!)
Oh, gotta sing it now!

Let the praise drip off my tongue
The blessed assurance of You

Verse 3

My fate is sealed
My path is paved in gold
Promises written in blood
Joy, O Joy, My cup, it overflows
In the presence of my Lord
Pleasure and peace without end

In the Hours

Verse 1

In the hours of pain and sorrow
When the world brings no relief
When the eye is dim and heavy
And the heart oppressed with grief
While blessings flee,
Savior Lord we trust in Thee! (X2)

Verse 2

When the snares of death surround us
Pride, ambition, love of ease
Mammon with her false allurements
Words that flatter, smiles that please
Then ere we yield,
Savior Lord be Thou our shield (X2)

Verse 3

When forsaken in distress,
Poor despised and tempest-tossed
With no anchor here to stay us,
Drifting, sail and rudder lost
Then save us Thou,
Who trod this earth with weary brow (X2)

Verse 4

Thou the hated and forsaken,
Thou the bearer of the cross
Crowned of thorns and mocked and smitten,
Counting earthly gain but loss
When scorned are we,
We joy to be the more like Thee (X2)

Verse 5

Thou the Father's best beloved,
Thou the throned and sceptered King
Who but Thee should we adoring,
All our prayers and praises bring?
So blessed are we,
Savior Lord in loving Thee (X4)

Resurrection Song

Chorus

I'm resurrected, loved and accepted
I am washed clean and atoned for
And never alone
Lord, roll this stone back from my heart
And help me believe that
I am alive, crucified and survived
By the same One
Who raised the Son from the dead
I am free
Lord, your spirit lives in me

Verse 1

I'm not a slave; My sin is dead
I 'm not afraid; My savior said
That I belong to Him
And not a force on earth can take me

Verse 2

My debt is paid; His work is done
I was estranged; Now I'm a son
And we cry "Abba, Father,"
Fellow heirs with Christ our King

Chorus

Verse 3

I hid in shame and thin disguise
You peeled the scales back from my eyes
You found me lost and hungry
Fed my soul and gave me a new name

Verse 4

All pain and strife one day will cease
When Christ returns, our Prince of Peace
The One we hope and long for
And all creation waits in song for

Chorus

Bridge

It's no longer I who live, but Christ in me
We sing:
"Grave where is thy victory, now
O death where is thy sting?"

Chorus
